CHICAGO-Evidence of another fla grant ease of bulldozing on the part of the McKinley corporations comes to national Democratic beadquarters from Michigan. Charles D. Coon, an employee of the North Shere Lumbering company at Manustique, Mich., was summarily discharged a few days ago by the foreman, at the request of Manager Hubbell, because Mr. Coon was guilty of advocating the cause of free silver among the other employees of the institution. The letter is as follows:

Suth Manistique, Mich. Job Olmstead, Manistique. Mich :

employ any man who talks such absurd doctrines as free silver. I believe we should stamp it out whenever we Gladness Comes and it. I would rather employ men With a better understanding of the of nonest principles. We are doing With a better understanding of the transient nature of the many physical ills, which vanish before proper efforts—gentle efforts—pleasant efforts—rightly directed. There is comfort in the knowledge, that so many forms of sickness are not due to any actual disease, but simply to a constipated condition of the system, which the pleasant family laxative, Syrup of Figs. promptly removes. That is why it is the only remedy with millions of families, and is everywhere esteemed so highly by all caliber. I do not believe in paying caliber. I do not believe in paying our money to men whe advocate such s cause. Yours truly.
